

INIZIATIVE CONCIARIE ASSOCIATE

HIGH QUALITY LEATHER

Hungry for the Wolf

A new skin becomes part of the Fur family.
Wolf, the eco-compatible long haired skin.

A product to satisfy the craving for eco-compatible luxury and innovation products.

Italtan, a luxury brand of Iniziative Conciarie Associate, presents a product of excellence unique in the world.

WOLF is the product that placates the yearning for innovation. It has attracted the world of luxury with unique characteristics that change every expectation and conception of "fur".

WOLF is not the revisitation of an existing product but a new type of skin never before conceived.

The exceptional softness, lightness, the nuances and gloss typical of the of Luxor BB product line, are also the distinctive features of the long-haired pony skin. A further added value is the versatility of the product which can be used for the production of garments, accessories, footwear and leather articles. A product that defines a new era of Fur.

WOLF is the answer to the need for luxury items that are eco-compatible.

The WOLF skin is not obtained from animals hunted for the purpose of obtaining their skin but from the recovery of skins of animals used in the food sector.

Italtan wanted to surpass tradition to satisfy its clients' craving for luxury, elegance and sustainability with a unique product: WOLF.

Free, real, authentic, uncontainable, alive, indomitable, rich, sober, illogical, egocentric, irrational... simply WOLF.
